

### Electrical data

Operating voltage  $U_b$  20...28 VDC

### Environmental conditions

Ambient temperature -20...60 °C  
 Protection degree IP40  
 Protection type IEC 60529 (connector) IP20  
 Storage temperature -20...60 °C

### General data

Approval/Conformity Use CE for threaded flow sensors (calorimetric/thermal)

### Material

Housing material Plastic

### Output/Interface

Switching output Relay normally open (NO)

### Wiring Diagram
